### BASE BID DESCRIPTION:

Full-depth concrete panel removal and replacement on Taxiway R between Taxiway R3 & Taxiway R4. Concrete panels 20'X25'X14" deep will be removed and replaced. Miscellaneous work will include sandblasting curing compound, pavement markings, and concrete pavement joint sealing. Work will include asphalt crack repairs on Runway 7L/25R, water-blasting existing pavement markings, asphalt seal-coating and new pavement markings on Runway 7L/25R. Replacement of 200' of concrete at the intersection of Taxiway K & Runway 13/31. Partial depth elastomeric concrete re-sealing of 6,100 linear feet of joints and miscellaneous concrete crack repairs will be made on Runways 1L-19R & 1R-19L.

The DBD Department concurs with the DBE participation for the above recommended Bid. approved Form DBD-014C attached to the bid recommendation.
